

## **LESLEY UNIVERSITY BRATTLE CAMPUS Directions/Parking**

- Check-in will take place in Washburn Commons (10 Phillips Place, Cambridge) on Lesley University's Brattle Campus (which is shared with the Episcopal Divinity School), by Harvard Square. Because parking in Cambridge is often unpredictable, and because Lesley does not have a public parking lot on Brattle Campus, we highly recommend utilizing public transportation to Harvard Square. Please visit <http://www.mbta.com> for more information about Bus Schedules and the Red Line, and type in "10 Phillips Place, Cambridge MA" as the destination address if you are using the "Trip Planner". Alewife Station and Quincy Station have commuter parking lots from which you could take the Red line to the Harvard Square station and follow the directions below. The Commuter Rail also runs to the red line from both the north and south.
- From the Harvard Square Station "Main Exit", walk north on Massachusetts Avenue and take a left on Garden Street when you reach the Cambridge Common. Take a left onto Mason Street and then a right onto Phillips Place. Washburn Hall is the building with lots of windows behind the short brick wall that runs along Phillips Place. You will be facing the back of the building, so please walk around to the front.
- From the Harvard Square Station "Brattle Street exit", take a right on Brattle Street and a right onto Mason Street. Take a left onto Phillips Place and Washburn Hall is the building with lots of windows behind the short brick wall that runs along Phillips Place. You will be facing the back of the building, so please walk around to the front.
- If you do not choose to park at a commuter lot, please allow extra time for parking. There are some 2-hour metered spots along Massachusetts Avenue, Garden Street and Brattle Street, and Cambridge Resident Only parking on the side streets in the area. Harvard Square has a number of parking garages as well, which can be found here: <http://www.harvardsquare.com/maps.aspx>. For driving directions and a map, please visit <http://www.lesley.edu/directions.html>
